Introduction

An introduction to the MioCare Group

Hello, and thank you for downloading this application pack. I am delighted you have an interest in the social care we deliver for Oldham residents.

Through our various services, MioCare provides care and support to people whilst promoting independence, choice and wellbeing. Created as a provider by Oldham Council in 2013, our ambition is to set a high standard for quality of care.

We can only deliver outstanding care and support with the right team in place. To that end, we seek to create a working environment where people feel supported, can thrive and deliver care and support that they are genuinely proud of. That's our aim, and if you think it's a good one then we'd love for you to apply for a role at MioCare.

As MioCare turned ten in October 2023 and celebrated a decade of care and support, this also marked the drawing to a close of our 2020-23 strategic planning cycle. Our **#FutureFocus** strategy sets out our goals and objectives for 2024-2027.

Our primary focus is on delivering high-quality outcomes and making effective use of our resources. As a Community Interest Company, any value and surpluses created are reinvested to improve services, develop and support staff and enrich the communities served.

Our mission of *'supporting people to get the most out of life'* remains the same, and having spent time engaging with people we support, our workforce and partners we are delighted to present some new, refreshed goals and values...

Our values: Inclusive → Dedicated → Collaborative → Aspirational

Our goals:

- People we support at the heart of everything
- To have an engaged, skilled and well-supported workforce
- To be an outstanding and collaborative organisation
- Financial sustainability through growth and development

You can read more about our **#FutureFocus** strategy on the next page.

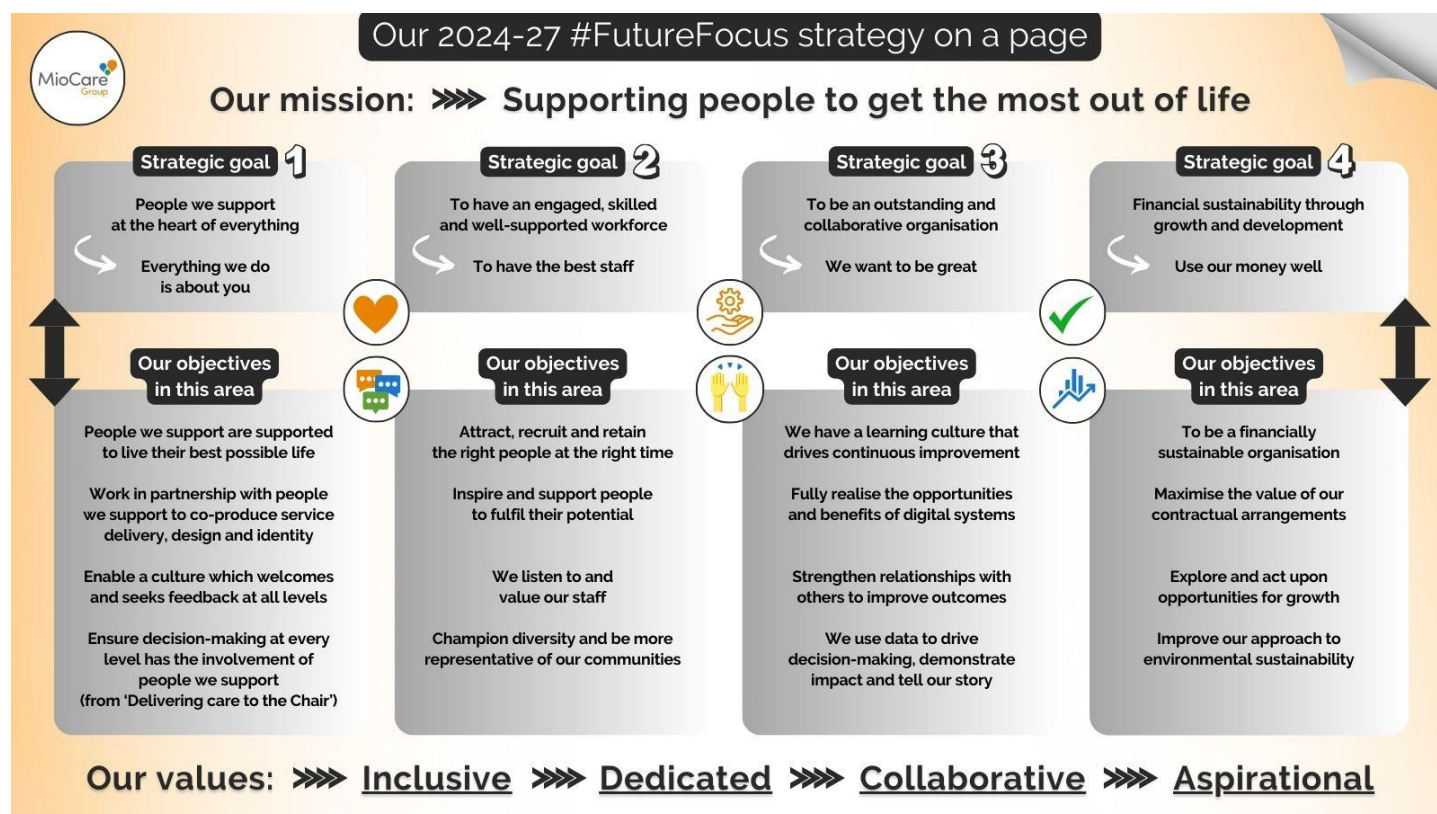

We have over 550 employees across the Group, working in a range of services. We pride ourselves on being an ethical and caring company, ensuring staff are supported and rewarded appropriately. We are a committed 'Real Living Wage' employer and as mentioned above, as a CIC we're able to reinvest some of the value we create into the development of staff.

Thanks again for taking the time to read this and we are looking forward to receiving an application from you!
